

The VersaDrill KMB.4

This VersaDrill was purchased for the Wolf Creek Dam Gallery and Plaza Grouting Project. The drill was purchased in October 2011. It has been used for 2850 linear feet of HQ rock drilling. The chucks are capable of PQ. The drill includes a water pump and spares. For more information, please call 913-422-5088 and ask for Pat Carr or Tom Boden.
